Professional Summary

I'm a hardworking college student searching for employment. Bringing a positive attitude and a wide range of skills to the table. Expert in a wide range of social media platforms as well as office technology. I'm committed to putting my experience to work for a company's success.

I'm searching for ways to help me grow and develop as a person. I've always believed that learning everything is preferable to knowing everything. Adaptable and eager to learn new things.

Education

Bachelor of Technology : **Computer Science**, 2023
BTcch, Tula's Institute — Dehradun, UT

Accomplishments

- As IEEE Chairperson of TuLas Student Branch UP section, I led a team of young en thusisats who are interested in learning new technologies and are willing to adapt. As chair, I oversaw events that were also tied to it.
- My college's literature group, 'Expresso,' had me as its captain. My job was to mentor students who were interested in literature, poetry, and soft skills such as public speaking, debate, group discussion, and anchoring in both formal and casual settings. Throughout my time at my institution, I hosted and volunteered at numerous events.

Projects

- **Studiffy**

I co-founded a website that offers free study materials such as notes, question papers, and e-books to students and anybody else interested in learning.

- **Shayar Website**

For a client, I created front-end design for Home pages and other category sites. It was a website whcrc you could upload your work and demonstrate your talent to others.

- **Pn-Institute Website**

A website dedicated to coaching classes known as Pn-Instute. I worked with my team to create various web-pages that matched all of the client's needs, including effects, custom downloads, and more.
